

The Most Wonderful Of All Things In Life

~ By Sir Hugh Walpole ~

The most wonderful of all things in life is the discovery of another human being with whom one's relationship has a growing depth, beauty and joy as the years increase. This inner progressiveness of love between two human beings is a most marvelous thing; it cannot be found by looking for it or by passionately wishing for it. It is a sort of divine accident, and the most wonderful of all things in life.
